Introduction

The City Council has, for 2009, established a goal to "secure additional downtown parking" and directed staff to monitor opportunities to acquire land for parking. Two parcels may be available for such purpose. They are identified as APN 241-010-031 and APN 233-031-026-5.

Recommendation

Staff recommends that Council declare, as a minute order, its intention to negotiate for the purchase of these properties and adjourn to a closed session for the purpose to give direction to the city manager regarding terms and conditions.
